SUMMARY

Pre-final year Computer Science and Engineering student at Mohan Babu University, with strong interests in Artificial Intelligence & Machine Learning and Full Stack Development. Actively working on real-world projects in these domains, with a proven record of success in national-level hackathons, leadership roles, and effective team collaboration. Strong problem-solving abilities, communication skills, and eager to contribute to real-world challenges through a software development internship.

EDUCATION

- Mohan Babu University** Tirupathi, India
Bachelor of Technology - Computer Science & Engineering; CGPA: 8.95 September 2023 - Current
- Sri Chaitanya Junior College** Tirupathi, India
Intermediate (MPC); Percentage: 91.6% June 2021 - May 2023

SKILLS SUMMARY

- Languages:** Java, Python, HTML, CSS, JavaScript, SQL, OOPS
- Tools:** Git, GitHub, Figma, VS Code, Adobe Premiere Pro, Canva, n8n
- Soft Skills:** Leadership, Mentoring, Event Management, Public Speaking

EXPERIENCE & LEADERSHIP

- ISTE - National Level Student Chapter** On-Site
Chairperson of ISTE (Full-Time) November 2024 - Current
 - Leadership, Event Management & Collaboration:** Led the ISTE student chapter by planning and executing technical events, fostering innovation and hands-on learning, enhancing team skills through mentorship and sessions, and building collaborations with industry professionals, alumni, and influencers to expand learning opportunities.
- The Coding Club - College Technical Club** On-Site
Design Team Lead (Full-Time) October 2024 - Current
 - Creative Direction, Design & Collaboration:** Led the visual identity and designed posters, digital creatives, and promotional materials, while collaborating with core and technical teams to deliver high-quality assets on time and enhance event outreach and engagement.
- Ekalavya - The Consistency** Remote
Design Lead - Student Lead Startup (Intern) August 2025 - Present
 - UI/UX Design & Team Leadership:** Led the design team in developing the website UI, creating logos, posters, and branding assets, while implementing creative ideas and animations and coordinating with technical and content teams to ensure a consistent and engaging digital presence.

PROJECTS

- NextStep AI - AI-Powered Career Platform:** Developed an AI-driven platform with features like resume analysis, adaptive interviews, skill gap detection, and personalized learning paths using HTML, CSS, JavaScript, and Firebase. Designed an interactive, high-performance UI with creative elements and real-time analytics to enhance user engagement and effectively track progress.
- SPLAN AI:** Developed an AI-driven learning assistant that analyzes uploaded study material and converts it into structured summaries, interactive flashcards, and adaptive quizzes using real-time processing. The system enables personalized learning experiences, improves knowledge retention, and streamlines study workflows through intelligent content transformation.
- HealthNexus - Healthcare Management Platform:** Developed a secure, role-based healthcare platform with interactive dashboards for patients and providers to streamline clinical workflows. Integrated real-time health metrics tracking and secure medical record management using Firebase, along with advanced features like AI health assistance and family connectivity. Enhanced system efficiency, accessibility, and user engagement through a scalable and user-friendly design.

HONORS AND AWARDS

- 1st Prize - 8-Hour Hackathon (Yuvaranga 2k25):** Mohan Babu University, 2025
- Top 7 - 24-Hour Hackathon (Cynosure 2k25):** Sri Venkateswara University, 2025
- Top 10 - 24-Hour Hackathon (Lithos 2k26):** Chennai Institute of Technology, 2026
- Hackathon Organization:** Organized one national-level and two university-level hackathons with full ownership of event coordination, logistics, and student engagement, ensuring smooth execution and high participation.
- Event Organization:** Organized 20+ technical events, ensuring effective planning, coordination, and execution.
- Student Mentoring:** Mentored 200+ students in Java, SQL, n8n, and Vibe Coding, enhancing their technical skills and practical understanding.
- English Step Certification:** Achieved a score of 9.5, Issued by The Hindu, 2024
